

September – 2008

Dear Sixth Grade Parents,

One of the highlights for your child this year will be their 3 days at Adventure Science Camp. This time at camp promises to be an exciting experience of outdoor education, as well as a time for personal spiritual growth.

Preparations are already underway for camp. We will be attending Science Camp at Forest Home Christian Conference Center located in the beautiful San Bernardino Mountains. Labs are taught by Mountain and Sea Adventures. Students will be participating in a variety of hands on classes and team building exercises. Each day is will be balanced with activities, worship & devotions, meal times and rest times.

The 6th grade teachers, along with CVCS chaplain Mr. Snyder, will accompany the students to camp. Our counselors will be outstanding CVCS high school students who have been recommended by the administration and their teachers, and will be interviewed by the 6th grade teachers. Forest Home's staff and MSA instructors are carefully selected individuals with excellent credentials and references.

~~Please mark your calendars. Camp date is MARCH 18-20, 2009. More, detailed information will be forthcoming. We are waiting on prices from several integral parts in order to complete the budget. The total package will include outdoor education curriculum/staff, lodging, food, round trip luxury bus transportation and a keepsake t-shirt. Last year's cost was \$360 which was payable in a lump sum or 2 equal payments. Amounts and payment due dates will be passed along to you as soon as they are available.~~

A packet including medical forms, waiver, packing list and t-shirt order form will be sent home in January. There will also be an informational meeting for parents in February advising you on the specifics of camp and to answer any questions you might have.

We are looking forward to a great time at camp!!

Blessings,

Mrs. Yuhasz and Mrs. Kooiman
